CORE COMPETENCIES

Document and data processing

- Extraction, cleaning, validation and reporting of records (OCR, SQL, Python, spreadsheets) with an audit trail
- Data entry, data conversion and back-office workflow automation

AI integration and automation

- AI document processing: classification, extraction and summarization with quality control
- AI workflow automation for back-office and records programs
- AI use-case assessment, pilot setup and staff training on AI tools
- AI output evaluation and data labeling

Documentation and program support

- Technical writing, SOPs, training content and editing
- Section 508 document remediation; FOIA and records support
- Tracking and compliance reporting

Language services: Russian, Uzbek and Turkish

- Document translation, transcription and linguistic review (QA)
- Remote interpreting where the contract allows

DIFFERENTIATORS

- Certified SDVOSB: eligible for SDVOSB set-asides and sole-source awards (FAR 19.14) and the VA Veterans First program
- Owner-performed: the SDVOSB owner manages and delivers the work, so primes get real subcontracting credit
- Quality-controlled delivery: every deliverable is checked by the owner before release
- Native Uzbek and Russian; Turkish
- Remote-first delivery from Illinois

TEAMING INTERESTS

Subcontracts with primes that need SDVOSB participation, Mentor-Protege joint ventures, and teaming on SDVOSB and small-business set-asides.
